LOW OR NO INTEREST LOANS

CITY OF WARREN RESIDENTIAL REHABILITATION PROGRAM

The City of Warren Residential Rehabilitation **Loan** Program makes low interest **loans** available to eligible “low” and “moderate” income households. The **loans** are used to bring the home up to code and make repairs to owner-occupied single-family residences.

The maximum rehabilitation **loan** amount is \$30,000. The **loan** may be used to finance necessary home repairs including, but not limited to, the following:

- Heating and energy items
- Plumbing and sanitary fixtures
- Electrical work
- Windows and doors
- Replacement roofs
- Structural repairs
- Barrier free access for the handicapped and elderly

Some of the ineligible activities include luxury items, new construction, substantial reconstruction and expansion of the structure.

In order for the City to begin processing a request for a rehabilitation **loan**, the **homeowner must complete an “Expression of Interest” form**. Forms are available in the City of Warren Community Development office, by calling (586) 574-4686, or at www.cityofwarren.org

The City’s rehabilitation staff will assist applicants by:

- Helping to prepare and file an application
- Advising the applicant of eligibility
- Inspecting the property to determine necessary repairs
- Administering the contractor bidding process
- Preparing a rehabilitation contract
- Inspecting the completed work to ensure contract compliance

Due to the popularity of the City’s rehabilitation program, there is currently a **2-3 month** waiting period.

To qualify for the Residential Rehabilitation **Loan** Program, applicants must meet the following minimum criteria:

- ❖ **Own and occupy** the home to be rehabilitated
- ❖ Have history of making house payments on time
- ❖ Have history of paying property taxes (including the water bill) on time
- ❖ Have homeowner’s insurance
- ❖ Total household income must be below the following income limits for the program as established by The Department of Housing and Urban Development (HUD):
