Meals on Wheels seeks volunteers

Macomb County Community Services Agency's Office of Senior Services is seeking volunteer drivers to deliver meals to homebound senior citizens through the Meals on Wheels program. There is a critical need for volunteer drivers in Clinton Township, Eastpointe, Shelby Township, Sterling Heights, Utica and Warren.

Volunteers are asked to drive a midday route at least twice each month. An average route takes about 90 minutes to complete. Meals are delivered Monday through Friday. Meal pickup locations are near the delivery routes.

Volunteers must be at least 18 years old or accompanied by a parent or authorized adult, pass a background check, and have a valid driver's license and insurance. Volunteers must use their personal vehicles for delivery and are offered mileage reimbursement.

Meals on Wheels allows seniors to remain in their homes and live with dignity while receiving warm, nutritious meals. In Macomb County, nearly 1,700 seniors receive daily meals through the program.

Volunteer by calling (586) 469-5228 or sign up online at mccsa.macombgov.org/MCCSA-Seniors-MOW-Volunteer.
