GREAT LAKES SHIPWRECKS

The very first ship on the upper Great Lakes, LaSalle's Griffon, sailed only a single voyage before disappearing beneath the waves. Since then several thousand other vessels, along with their crews, have met the same fate. Come to the Miller Library on Tuesday, February 28, from 6-7:30 pm to learn about these underwater treasures with Joel Stone, Senior Curator of the Detroit Historical Society.

This program will be held in Conference Room A (Room 203) of the Warren Community Center. Registration is required; please call 586-751-5377 to register

The Miller Branch Library is located at 5460 Arden in the Warren Community Center (between 14 Mile and Chicago, west of Mound). For more information, call [\(586\) 751-5377](tel:5867515377).
