

Certificate of Achievement for Government Transparency *City of Warren*

In recognition of the leadership position the City of Warren has taken with regards to Transparency in Government, this Certificate is awarded as an acknowledgment of its efforts, which exceeded the requirements set forth by the Legislature of the State of Michigan, its Department of Treasury, and the Governor's Office and written into law as part of Public Act 63 of 2011.

While Transparency in Government is not a new concept, and one that has been embraced by the City of Warren, its staff and elected officials placed such a great emphasis on the Quality and Quantity of information made available to the Public, the City of Warren is a Transparency Role Model for Local Units of Government.

Congratulations on your achievement, all attributable to your team's hard work and dedication.
