Warren Mayor Jim Fouts Joins “In God We Trust” National Trend With Free Posters

Warren, MI – Warren Mayor Jim Fouts is joining the “In God We Trust” national trend by printing free posters available to the public (copy enclosed)

In God We Trust – America, Inc. is a non-profit educational corporation organized to promote patriotism and to legally display the congressionally-approved national motto in every government office, local, state and national.

“I decided to join this effort to promote the values that guide our nation,” said Fouts, who said over 400 cities and countries across America have joined the trend. “These values date back to the days of our Founding Fathers.”

Fouts said posters are available at the Mayor’s Office or by calling 586-574-4520
