## **Fouts Forum Interviews Investigative Reporter Saturday 4-5 P.M.**

**Warren, MI** – Warren Mayor Jim Fouts will interview Joel Kurth, a Detroit News investigative reporter, on Fouts Forum, Saturday, September 10 from 4-5 p.m. on 910 AM

Kurth reported on problems with dirty surgical instruments used at the Detroit Medical Center for more than 10 years.

The News reported in its August 24, 2016 that for years “improperly, cleaned, broken and missing instruments have complicated and cancelled dozens of operations at the DMC five-hospital campuses in Detroit.”

“This report is very shocking for anyone who has ever had a need to go to a hospital for surgery. After reading this report, I felt like one might be taking a chance on getting a serious, if not fatal, infection from any surgical procedure,” said Fouts.

Listeners are invited to call in during the program (phone: 313-209-9000).
