Warren Mayor Collects Water Filters for Flint

Warren, MI – Warren Mayor Jim Fouts is collecting the Zero Water Filters for Flint residents.

Fouts said the Zero Water Filter can be used on multiple water faucets to filter lead and costs about \$15.

Fouts said the filters will be collected at the Mayor's office and Warren Fire Stations.

Fouts said most Flint residents are "hard-pressed financially and would make good use of this filter."

"Flint residents are victims of government inaction and deserve all of the help we can give them," said Fouts, who said the Police Department's CERT (Community Emergency Response Team) will deliver the filters.
