REZONING PROCEDURE:

Step 1 A completed application, including the affidavit of ownership, thirteen (13) copies of a property survey, thirteen (13) copies of a concept site plan and the applicable fee must be submitted to the Planning Department. The petitioner should also attach a letter to the application describing why a rezoning is being requested and detailing any hardships if any, that have occurred in developing the property as currently zoned. The rezoning request will be placed on a Planning Commission agenda in accordance with the submittal schedule prepared by the Planning Staff.

Step 2 In addition to the application fee, the petitioner must also provide a **separate** \$500 rezoning sign deposit to the Planning Department at the time of application submittal. A rezoning sign will be posted on the site by the City prior to the Planning Commission public hearing and remain until after the City Council Public Hearing.

Step 3 The petitioner will receive a notice informing them of the Planning Commission public hearing scheduled for their item. Attendance at the Planning Commission meeting is mandatory.

Step 4 The Planning Commission will hold a public hearing and issue their recommendation regarding the request. This recommendation is forwarded to City Council. The petitioner will also receive formal correspondence from the Planning Commission secretary detailing the Planning Commission's recommendation.

Step 5 The petitioner will receive a notice informing them of the City Council public hearing scheduled for their item. Attendance at the City Council meeting is mandatory.

Step 6 City Council will hold a public hearing and either approve or deny the rezoning request. If the request is approved, an approving resolution is filed with the City Clerk and recorded with the Macomb County Register of Deeds.

Step 7 The rezoning sign will be removed by the City following the City Council's decision, and the \$500 rezoning sign deposit will be returned to the petitioner.
