PLM Lake & Land Management
10785 Bennett Drive
Morrice, MI 48857
800-382-4434

Lake St Clair CISMA
1 South Main
Mount Clemens, MI 48043
248-504-4315

The chemicals used for Aquatic Nuisance Control are registered by the U.S. Environmental Protection Agency and the Michigan Department of Agriculture. The potential for damage to fish and other non-target organisms is minimal provided that the product is used as directed on the product label and the permit. To minimize the possible effects on health and the environment, the treated water is restricted for the above purposes.
